

Janis Bryson Waldrop

October 31, 1937 - August 30, 2017

Janis Bryson Waldrop (nee' Mary Janis Bryson) joined her beloved husband William Waldrop on August 30, 2017. She passed peacefully, in the company of loved ones. Janis was born in Baltimore, only daughter of Joseph L. and Bertha Bryson (both deceased) and sister to Roy Bryson, a resident of Venice, Florida. Janis was an early devotee of the bounty offered by the waters of the Middle River and the Chesapeake and retained a life-long appreciation for Maryland steamed crabs. She married and raised four children (Mark, Jay, Suzanne and Jon), primarily raised in Green Hills, OH. She divorced and moved to Florida in 1978, and worked as a medical billing specialist. She met and fell in love with Bill, and they married in 1996. During their shared retirement, Janis and Bill together enjoyed travel, friends and family. Janis was an avid quilter and longtime member of FFabs; her works of love will be treasured as family heirlooms for generations. A memorial service to honor her life will be held at Allen-Summerhill Funeral home 126 East New York Ave Deland, FL 32724, on October 21, 2017, starting at 10am. In lieu of flowers, please donate to your favorite charity in memory of Janis. <http://www.allensummerhillfuneralhome.com>.

“ We came to love Bill and Janice over the years. Bill was a member of our coffee group and we miss him. He and Janice were very much in love and it was apparent when talking to either of them that their love for each other ran true and deep. When she found out that she had cancer and decided she would let life take its course so she could rejoin him in the next life and be together again. When we visited her, in those final months this topic was the main discussion. What a courageous woman and loving wife. We pray that God has granted their wishes and they are together again for eternity. Our condolences to all the family for their loss. We will keep them and you in our prayers. May the Lord bless and keep you all.
